

# A Plan for *Success*

**Your master plan begins and ends with client satisfaction.**

**Simply put, you need a Home Warranty provider that supports your mission.**

## **Why Recommend an Old Republic Home Warranty Plan?**

### **Our Standard Plan includes...\***

- ✓ Unlimited Footage to Clear Drain Line Stoppages
- ✓ Undetectable Pre-existing Conditions for Home Buyer
- ✓ Failure due to Water Heater Sediment
- ✓ And Much More!

### **Ultimate Protection includes...\***

- ✓ No Dollar Limit on Use of Cranes (if necessary to complete covered HVAC repair/replacement)
- ✓ Haul Away of a covered appliance, system, or component when replacement is required
- ✓ And Much More!

### **Platinum Protection includes...\***

- ✓ \$1,000 Increase per Plan to Standard Plan Limit (\$2,500 in total) for the repair/replacement of diesel, oil, Glycol, hot water, steam, geothermal, water cooled, and water sourced heating and air conditioning systems
- ✓ Up to \$1,000 per Plan for construction/carpentry or other related costs necessary to effect a covered repair or replacement (including the correction of code violations)

**We also offer a wide array of Optional Coverage choices to fit a home's unique needs!**

**Old Republic Home Protection delivers *truly* comprehensive coverage that won't leave your clients—or your reputation—hanging in the balance!**
